

GUIDED TOUR EIMA 2016

International
DUEMILASEDCI

9th to 13th November

On the occasion of the 2016 edition of **EIMA, International Exhibition of Agricultural and Gardening Machinery**, that is going to take place in Bologna (Emilia-Romagna Region) from **9th to 13th November** – www.eima.it – Studio Luigi Stefanini of Piacenza is glad to propose to delegations and groups of operators interested in visiting the exhibition, a specific programme that includes the visit at the Show, scheduled contacts with exhibitors and a tour between some firms operating in this sector.

With its 375.000 sq.m. of exhibition space, the Show, real event of reference for the agricultural machinery sector,

promoted and organized by FederUnacoma Surl with the collaboration of BolognaFiere Spa, promises to be the most comprehensive exhibition on the international scene.

Last edition (2014) registered the participation of **1920 exhibitors** of which 597 from abroad, 235.614 visitors, of which 38.773 coming from foreign countries of all the continents.

2016 edition will see 4 specialized shows: **EIMA Components, EIMA Green, EIMA Energy and EIMA M.I.A.**, capable of developing specific focus within agricultural mechanization and gardening.

If you are interested in visiting this 2016 edition of EIMA, you can request to Studio Luigi Stefanini a customized program dedicated to your specific needs and interests complete of related economic offering.

PROGRAM

Following we propose a detailed example of a three-days travel programme for groups and delegations:

Day One and Two

Guided visit at EIMA: stands, scheduled meetings with exhibitors and operator groups, eventual participation to events and meetings on EIMA agenda for the day.

Day Three

Guided visits to agricultural machinery and livestock equipment manufactures.

Studio Luigi Stefanini can organize all the visits and all the logistic aspects for groups and delegations (transfers, hotel booking and free-tickets for EIMA).

If you are interested in organizing a delegation for visiting EIMA and taking part to all the events we has just proposed to you, please contact **Studio Luigi Stefanini** sending an e-mail complete of your specific requests. We will soon reply with a detailed travel itinerary and the related quotation.

To simplify the organization phase it is necessary to define every matter within **31st October 2016**.
